

VARU DL

LED outdoor recessed ceiling light, black/white, IP20/65, 2700K

The innovative VARU recessed fitting impresses with its high IP65 protection class. The downlights can therefore also be used outdoors as well as in rooms with high humidity. The VARU series is available in several colours and with powerful, warm-white LEDs or a GU10 socket. The electrical connection of the version with a GU10 socket is made to the 230V mains power supply. An additional LED driver is required for the LED versions.
