

CORONA CL-1

ceiling light, A60, IP21, round, chrome, max. 60W

The CORONA CL-1 ceiling light impresses with its clear design and elegant contrast of the materials used - chrome-plated aluminium and glass. An E27 general lamp or energy-saving lamp gives the desired lighting effect and makes the luminaire ready for direct connection to the 230V mains supply. The deliberately selected generous distance between the lamp shade and the mounting surface creates a corona effect with indirect illumination properties.
