

ECO LED

recessed fitting, LED, 3000K, round, silver-grey

The ultra-flat ECO LED wall and ceiling light convinces by its low installation depth and is equipped with 70 warm white SMD LED for the round version and 100 warm white SMD LED for the square version. Thus, it ensures a high light output even at most difficult installations. Available in white and silver-grey colour version, the electrical connection of both the round and the square version is made directly to 230V mains via the incorporated power supply. To achieve a glare-free light, the LEDs are installed behind a frosted cover.
