

ECO LED PANEL

recessed fitting, 3000K, round, white, 10W

The ultra-flat ECO LED PANEL recessed ceiling light convinces by its low installation depth and is equipped with 96 or 132 warm white SMD LED depending on the version. Thus, it ensures a high light output of 590 or 1000 lm with a flat beam angle even at most difficult installations. Available in white and grey colour version, the electrical connection is made directly to 230V mains via the separately available LED driver. To achieve a glare-free light, the LEDs are installed behind a frosted cover.

TECHNICAL DATA

Item no.:	162501
Lamps included	0
Secondary power / secondary voltage	350 mA/V
Height	3.0 cm
Diameter	18.0 cm
Installation diameter	16.8 cm
Net weight	0.347 kg
Gross weight	0.495 kg
IP Code	IP 20
Safety class	III
Assembly	Recessed
Assembly details	Ceiling
Color	white
CRI	>80
