

ROX

outdoor wall light, QPAR111, IP44, round, brushed aluminium, up/down, max. 100W

The puristic wall light of the ROX series is made from brushed aluminium and glass, which covers the lamp. Thanks to the position of the two sockets which are fitted, the mounted luminaire produces two equal but opposite cones of light (UP/DOWN). It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection is made directly to the 230V mains supply. The ROX series also includes ceiling lights as well as floor stands with different sockets and can therefore be used universally.
