

DOWNUNDER 27

outdoor wall light, LED, 6500K, IP44, stone-grey, 1.8W

Aluminium recessed wall light of the DOWNUNDER series. The built-in concealed SMD LEDs emit their light indirectly to the surface to be illuminated. As a result, for example, glare-free illumination of walkways is enabled. The electrical connection is made directly to the 230V mains supply. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use. The DOWNUNDER series also includes versions with other shapes as well as housing and light colours.
